

NCRB NEWSLETTER

VOLUME - XVI ISSUE - IV

October - December 2025

Director, NCRB along with NCRB Officials taking Integrity Pledge during the Observation of Vigilance Awareness Week in the Bureau.

From the Desk of the Director

It gives me immense pleasure to present the NCRB Quarterly Newsletter for the Fourth quarter of 2025, highlighting the Bureau's key initiatives and activities undertaken during the months of October to December 2025.

During the quarter under review, the National Crime Records Bureau (NCRB) continued to play an instrumental role in facilitating structured deliberations and implementing strategic advancements across both internal mechanisms and collaborative initiatives. Tangible progress was achieved in the development of CCTNS 2.0 and CrPI applications, underscoring the Bureau's sustained commitment to leveraging technology to enhance operational efficiency and streamline institutional processes.

During the period, the Bureau organized Vigilance Awareness Week in accordance with the directives of the Government of India, with a view of promoting integrity, transparency, and ethical practices within the organization. Additionally, Police Commemoration Day, 2025 was also observed to honour the sacrifice and services of police personnel who laid down their lives in the line of duty.

A state-of-the-art NAFIS (National Automated Fingerprint Identification System) laboratory is being utilized by CFPB for conducting training programmes for police personnel, fingerprint experts from across the country, as well as interns and trainees from various institutions who visited NCRB.

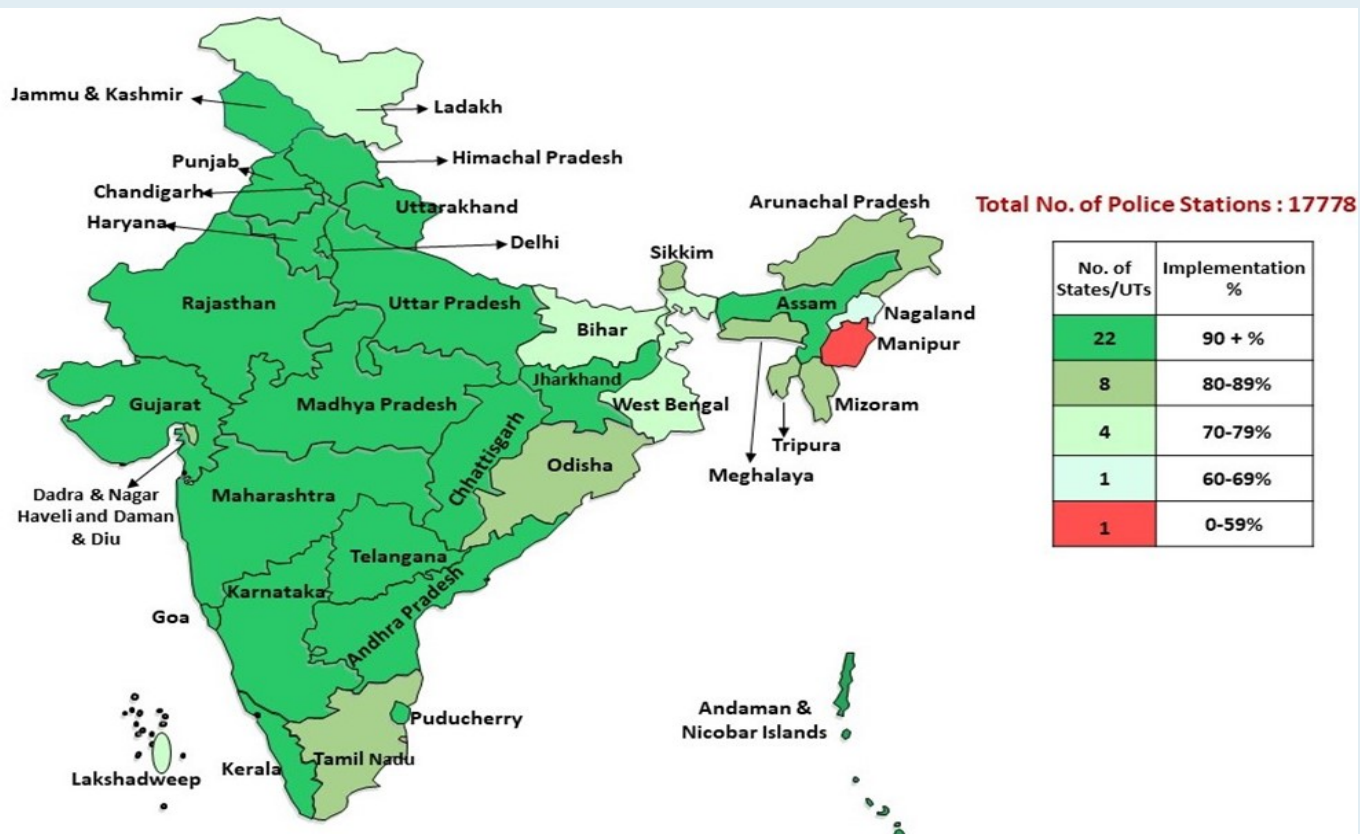

Capacity building remained a key focus of the Bureau's mandate to strengthen police forces through the effective use of advanced information technology. During the period under review, the Bureau conducted focused training programmes on Cyber Crime & Digital Forensics– Judicial Officers, CCTNS/ ICJS & NCRB Apps, TOT on Prison Statistics in India, TOT on Crime in India and Accidental Deaths & Suicides in India, Enrolment User Training in NAFIS & CrPI Systems, Expert Training in NAFIS, with the objective of enhancing the technical competencies of law enforcement personnel. The Bureau also operationalized an online feedback mechanism to obtain structured inputs from end users for improving system functionality and user experience, and conducted All-India webinar sessions on topics like "Criminal Procedure Identification System" & "Introduction and Roadmap of CCTNS 2.0" through expert speakers to ensure wider outreach and uniform understanding across States and Union Territories.

The National Crime Records Bureau (NCRB) remains steadfast in its commitment of enhancing the capabilities of police units across the country through the provision of advanced technological tools and specialized knowledge. Through a structured programme of training sessions, conferences, and webinars, the Bureau continues to facilitate the professional development of law enforcement personnel, thereby supporting the pursuit of excellence in policing and the maintenance of the highest standards of justice.

Jai Hind!

*Alok Ranjan
Director, NCRB*

Development of CCTNS 2.0 Application

- Review meetings on the progress of CCTNS 2.0. were held under the Chairmanship of Director, NCRB on 7th October 2025 and 9th December 2025. During the meetings, C-DAC (Centre for Development of Advanced Computing), Pune, made a presentation on the current status of the project. Discussions were held on AI/LLM models to support supervisory officials and deployment of CCTNS 2.0 application on the MeghRaj 2.0 cloud for carrying out the pilot launch in four States/UTs.

Director NCRB and Joint Director NCRB in the meeting with senior Officials from different States/UT .

CCTNS

- A meeting with DSLSA (Delhi State Legal Services Authority) was held on 13th October 2025 to discuss integration of Acid Victim Compensation Module in CCTNS. Another meeting was held on 8th December 2025 at Supreme Court of India, Delhi with National Legal Services Authority (NALSA) to examine the feasibility of developing a dedicated portal for submission and tracking of compensation payments in acid attack cases by integrating NALSA portal with CCTNS. Meeting was attended by Deputy Director (CS) and Assistant Director (C). NALSA Technical Team will make a presentation on their workflow and data requirements from CCTNS.
- A five day User Acceptance Test (UAT) conducted from 17th TO 21st November 2025 at NCRB Hqrs. Teams of Officers from Delhi, Madhya Pradesh and Uttar Pradesh were deputed to NCRB to assess the functionality of the application and to verify whether it is being developed in accordance with their respective State requirements. A Meeting was held on 28th October 2025 with NICS (National Informatics Centre Services Inc.) and NGC (National Government Cloud) team to discuss the cloud resources offered by NGC for CCTNS 2.0 and ICJS 2.0.
- Deputy Director (CS) and Assistant Director (C) attended a meeting held at Ministry of Health and Family Welfare under the Chairmanship of Addl. DG, DGHS on 31st October 2025 to discuss resolution of issues in implementation of MedLEaPR software.
- A meeting was held on 7th November, 2025 under the chairmanship of Joint Director (CCTNS) to discuss the outcome on "Workshop on CCTNS 2.0 and migration of existing data into ICJS 2.0 cloud at NGC for Non-CAS States –reg." which was conducted from 3rd to 7th November 2025. A total of 29 participants from 8 States/UTs attended the workshop. The inputs and suggestions received from the participants are being compiled and will be examined for possible inclusion in CCTNS 2.0.

Deputy Director NCRB, Shri Prashun Gupta with the participating officers at the Inaugural Ceremony of training program on 'CCTNS/ICJS & NCRB Apps' Organized from 01st to 05th December 2025.

CCTNS

- Officers of Narcotics Control Bureau visited NCRB on 8th December 2025 for discussion on various classification of Drugs and Psychotropic Substances & addition of parameters by capturing it's details during seizure in CCTNS-2.0 . This will help in providing real-time feedback for improving NDPS-related data entry and retrieval. Meetings with MoRTH (Ministry of Road Transport & Highways) were held on 16th October and 12th December 2025 under the Chairmanship of Joint Director (CCTNS), NCRB to evaluate the feasibility of automated identification of unclaimed, abandoned, and impounded vehicles available within police stations that may be eligible for scrapping through the V-Scrap Portal integrated with CCTNS.
- A presentation was made by Sh. Bhaskaran IPS, DIG, CI Cell, Telangana on AI based Best Practices adopted by Telangana Police on filing of Complaint, FIR and Chargesheet using AI/ML on 22nd December 2025.
- A letter was sent to all DGsP and Nodal Officers regarding "Removal of NCRB reference in Court orders on Vehicle Enquiry Report" on 24th November 2025.
- Approval of competent authority conveyed to C-DAC vide email dated 25th November 2025 regarding permission for GEM tendering for hiring Government or Government Controlled agency to conduct the security audit of the CCTNS 2.0 application.

Deputy Director NCRB, addressing the participants from different States/UTs in Training Program on CCTNS Course organized in the Bureau.

Implementation of ICJS 2.0 Project

Meetings with States/UTs were held in preparation of HS meeting with State Central Project Coordinators to discuss integration of ICJS with CIS (Court Information System) application and Issues pertaining to e-Summons, Nyay Shruti and e-Sakshya.

- I. Andhra Pradesh – 15th October 2025
- II. West Bengal – 15th October 2025
- III. Jammu & Kashmir – 29th October 2025
- IV. Ladakh – 29th October 2025
- V. Sikkim – 03rd November 2025
- VI. Meghalaya – 04th November 2025
- VII. Tripura – 04th November 2025
- VIII. Uttarakhand – 06th November 2025
- IX. Manipur – 04th December 2025
- X. Chhattisgarh – 05th December 2025
- XI. Assam – 09th December 2025
- XII. Gujarat – 10th December 2025
- XIII. Madhya Pradesh – 12th December 2025

Director NCRB Shri Alok Ranjan, IPS Chairing ICJS Nodal Officers review meeting organized in the Bureau.

- A meeting was held on 13th November, 2025 with NIC (National Informatics Centre) to review the development of Mediation Layer in ICJS 2.0 project. On 20th November, 2025 a D.O Letter from Director, NCRB was sent to DGsP of all State/UTs regarding NCL implementation and monitoring.
- In November, 2025 funds were approved and allocated for the States of Punjab, Andhra Pradesh and Telangana under ICJS 2.0 project. Request made by States/UTs like Sikkim, Assam, Delhi, Haryana, Chhattisgarh, Goa, Kerala, Punjab, Tripura and Gujarat are under process.

Domain-Committee Meetings

- Sub-domain committee meetings were held on 18th November, 2025 and 04th December 2025 to deliberate and review the development status of e-Forensics 2.0 and e-Prosecution 2.0 application.
- A CCTNS/ICJS Domain Committee meeting was held on 20th November, 2025 to discuss e-Sakshya related workflow.

Criminal Procedure (Identification) System

- CrPIS (Criminal Procedure Identification System), NAFIS (National Automated Fingerprint Identification System) and NCRC (National Crime Record Check) applications were demonstrated during the RPF Raising Day Ceremony at Valsad, Gujarat on 13th October 2025 before the Hon'ble Railway Minister Sh Ashwani Vaishnav.
- A review meeting with C-DAC, Kolkata was held on 28th October 2025 under the chairmanship of Joint Director (CCTNS). A presentation was made on the status of CrPI project and integration of Marching Engines with the CrPI Application.

Officials of NCRB Demonstrating the NCRB Applications to Railway Minister Shri. Ashwani Vashnav on RPF Raising Day.

- CrPI System has been operationalized at 786 out of 2,649 identified locations across 36 States/UTs & LEAs including NCB & CBI. Measurements (Photograph, Iris and DNA) of 1,60,727 arrested/convicted persons have been captured in CrPI system. Face, Iris & DNA matching engines are integrated and operationalised, enabling States/UTs/LEAs to conduct search & match for criminal identification and investigation.

- A sensitization webinar on the CrPI Act, system functionality and benefits was conducted on 10th December 2025 for Railway Police (all zones) and Economic Offences Wing.

DGsP/IGsP dashboard:

- Updated ATR pertaining to NCRB on recommendations made during the DGP/IGP Conference, 2024 shared with MHA on 17th November 2025.
- ATR pertaining to NCRB on recommendations made during the DGP/IGP Conference, 2024 in reference to minutes of 12th National Police Coordination Committee (NPCC) Meeting held on 23rd October 2025 sent to IB on 26th November 2025.
- Seniors officers from the Bureau attended meeting DGsP/IGsP Conference, 2025 from 28th -30th November 2025.

iMOT

- Online training session on iMoT was conducted on 17th October 2025 for West Bengal. Issues faced while using the application were also discussed during the session.
- ATR on RoD of the Review Meeting chaired by Special Secretary (Internal Security), MHA held on 22nd September 2025 on 'Effective Implementation and Monitoring of i-MoT Portal' was shared with MHA on 24th October 2025.

New Criminal Laws

- New Criminal Laws(NCL) Weekly reports has been shared with MHA on 5th, 12th, 19th and 26th December 2025.

Trainings

- A two day CrPI hands-on training sessions conducted at PHQ Lucknow for Uttar Pradesh Police on 16th and 17th October 2025. Around 60 officers from the State participated in the training sessions.

CCTNS

- Joint Director (C&A), Sh. Sanjay Mathur, IPS delivered a session on "Digital Transformation & Use of Analytics in CCTNS" in the 100th Common Foundation Course at Lal Bahadur Shastri National Academy of Administration (LBSNAA) Mussoorie, on 24th October 2025.
- Joint Director (C&A), Shri. Sanjay Mathur, IPS delivered a session on "Digital Innovation on Policing" in a training program for Defence Personnel, in Indian Institute of Public Administration (IIPA), New Delhi on 3rd December 2025.
- Joint Director (C&A), Shri. Sanjay Mathur, IPS delivered a session on " CCTNS 2.0, ICJS and e Sakshya" in a MCTP Program for IPS officers at SVPNPA, Hyderabad, on 13th December 2025.
- Officers from NCRB provided training on CCTNS/ICJS/NCL at NEPA, Meghalaya from 27th to 31st October 2025.
- On 12th November, 2025 one-day workshop on CrPI, NAFIS, Cri-MAC, NCRC and ICJS was conducted at RPF Hqrs., New Delhi. On 19th November, 2025 online Session on ICJS portal usage and performing searches were delivered to Parliament users accessing ICJS portal (ICJS).
- From 24th – 27th November, 2025, Workshop on CrPI Systems was organized at Jammu and Srinagar for sensitizing field level Police officers on capturing biometric and biological measurements of Arrested/Convicted persons.
- On 27th November, 2025 a session on Cri-MAC and Zero FIR transfer procedure for GRP was conducted at DCP office, Railway Police, Delhi. A session was delivered on topic "Integration of New Criminal Laws" on 28th November 2025 during "Cyber Crime and Digital Forensics - Judicial Track" course conducted at NCRB Hqrs.
- From 16th to 17th December 2025, training session on CrPI System was conducted for officials (Police, prison, Prosecution) of Patna, Bihar at BICA, Hajipur.

Other Notable Highlights, Events & Workshops

- Assistant Director (C) attended a meeting on 11th November, 2025 in the Ministry of culture to discuss the inputs required for (Village Crime Note Book) VCNB in CCTNS application from Mera Gaon Mera Darohar (MGMD). The format and availability of data sets currently being used were discussed. The sample data received for 5 villages has been verified for consumption using APIs.

Central Citizen Services and Others Services:

- As on 31st December 2025, the Central Citizen Services Portal (launched on 29th January 2020) had recorded 87,54,717 logins. Key services included:
 - I. Missing Person Search: Accessed by 69,649 citizens, with 13,701 successful matches.
 - II. Generate Vehicle NOC: Used by 82,12,152 citizens., with 3,91,865 instances of vehicles found in the suspicious category.
 - III. Proclaimed Offenders Information: Accessed by 4,01,754 citizens.
 - Iv Locate Nearest Police Station Mobile App: Downloaded by 1,19,041 citizens.
- As of 31st December 2025, a total 4,23,816 email alerts had been sent to relevant police stations across States/UTs since the launch of service on 12th March 2020 i.e. automatic matches of missing persons with 4,21,616 alerts and automatic matches of stolen vehicles with 2,200 alerts.
- As on 31st December 2025, 252 users have been provided access to the NCRC portal. A total of 1,05,217 records have been processed including 24,907 records during the quarter using the portal.
- During the Quarter October to December 2025, 2283 applications were updated on GEP portal.

Deputy Director NCRB, Smt. Rema Rajeshwari, IPS, with the Trainee Officers from different States/UTs during the Course on CCTNS/ICJS and other NCRB Apps organized from 01st December to 05th December 2025.

Status of NAFIS

NAFIS Data

- As of 31st December 2025, the NAFIS Database has grown to **1,23,28,669** records.

NAFIS Commissioning

- Out of 1555 workstations to be installed under the NAFIS Project, 1555 workstations have been commissioned. A total of 4364 SSL VPN IDs have been created and shared with States/UTs, including 202 new IDs created during this quarter.

Document Cases

SL. NO.	NUMBER OF DOCUMENT CASES EXAMINED			TOTAL
	OCT'25	NOV '25	DEC '25	
1.	63	106	21	190

NAFIS Data Input/Migration

SL. No.	DESCRIPTION	COUNT (OCT-DEC '25)
1	Fingerprint Slips uploaded	2,61,096
2	Fingerprint Slips matched with NAFIS	48,898
3	Total chance prints matched/ traced	393

Capacity Building

- During this quarter, CFPB-NCRB undertook many capacity-building activities to strengthen skills related to the CrPI system, NAFIS, fingerprint science, and the CrPI Act, 2022. Multiple trainings, seminars, and briefing sessions were organized at NCRB Headquarters, CFPB Kolkata, and various States/UTs including Madhya Pradesh, Gujarat, and Jammu & Kashmir. A 02 day special training on NAFIS Enrolment applications was organized for 34 NIA personnel on 29th and 30th December. Overall, these courses benefitted more than 350 participants from different States/UTs and Central Agencies, significantly enhancing capacity in fingerprinting, biometric enrolment, and NAFIS-based applications

NAFIS Success Stories

Success Stories of NAFIS:

The following important cases solved through NAFIS showcase the practical-impact and effectiveness of this advanced technology in solving crimes. These stories serve not only to demonstrate the system's efficacy but also to inspire confidence in its continued use and development.

Case 1: Gujarat- PS: Naroda, District: Ahmedabad City

- A house breaking case occurred at Dharnendranagar Co.-Op. Society, Naroda, Ahmedabad City. Some unknown offenders gained entry by breaking the lock of bedroom and committed theft of 85 grams Gold worth Rs.3,32,000/- and & Rs.14,00,000/- Cash. The total loss of Property in this case was worth Rs. 17,32,000/-. A Junior FP Expert from FPB visited the scene of crime and examined entry, exit and checked all the disturbed articles and developed Six (06) chance prints. The chance prints were submitted in the NAFIS and one of them was found identical with Right Thumb finger impression of an accused with 8 previous arrested records in different police stations. The result of identification was communicated to the IO for taking necessary action. The culprit was apprehended with his two companions on and more than 90% of property stolen was recovered.

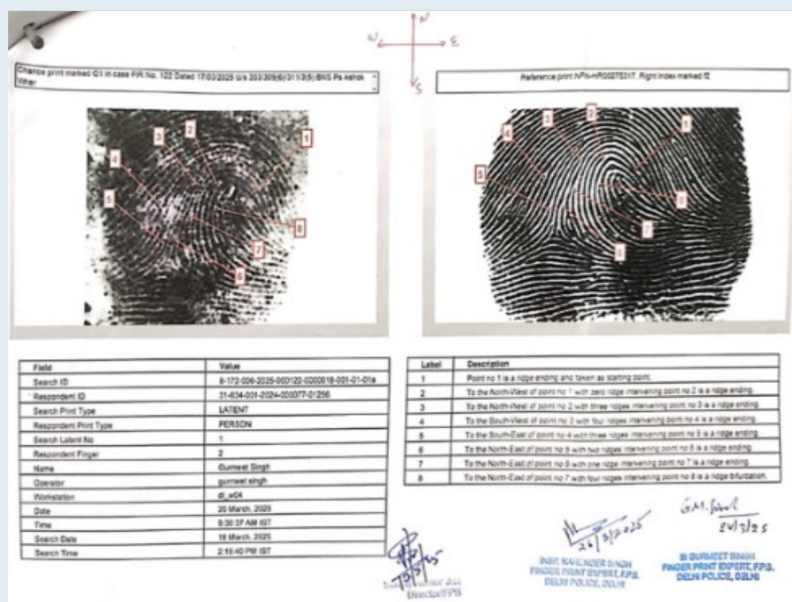

Case 2: Andhra Pradesh- PS: Kothavalasa, District: Vizianagaram

- A case of house-breaking and theft was reported from Mangalapalem Village, Kothavalasa Mandal, wherein unidentified offenders committed a planned night-time burglary between late night and early morning hours. The offenders gained unlawful entry by tampering with the iron mesh and unlatching the main gate from inside. To prevent resistance, doors of rooms were bolted from outside, and multiple rooms were searched. Iron almirahs were forcibly opened, and valuables including gold ornaments, gold idols from pooja room, and large sum of cash were stolen. The offenders spent considerable time in the premises, as evident from sorting of stolen articles in the garden area and consumption of food items found within the premises. The total value of stolen property was assessed at approximately ₹23 lakh. A total of 144 chance fingerprints were developed using standard powdering and lifting techniques. Upon comparison of the chance prints in NAFIS database, one fingerprint matched with a known habitual offender from Maharashtra.. During custodial interrogation, the accused confessed to his involvement in the offence and revealed the identities of his co-accused. Acting on his confession, the Investigation Officer successfully apprehended two additional accused persons.

NAFIS Success Stories

Case 3: Delhi; PS: Ashok Vihar, District: North-West Delhi

- A burglary was reported in a house in Ashok Vihar, wherein four unidentified offenders entered and restrained the complainant's wife and maid by tying them, and committed theft of gold and silver jewellery valued approximately ₹6-7 lakhs, along with cash amounting to ₹80,000/-, from an iron almirah inside the house. After committing the offence, the accused fled from the scene using the owner's i-10 car.
- The District Mobile Crime Team inspected the crime scene and successfully developed 09 chance prints from multiple exhibits, including a plastic jewellery box, silver plate, iron almirah door, and subsequently from the right rear door handle of the recovered car, a Samsung mobile phone, and the rear-view mirror of the vehicle.
- The developed chance prints were searched and compared through the NAFIS. Upon verification, 01 chance print was found identical with an existing NAFIS record of a person previously arrested in a criminal case registered in Haryana under IPC and Arms Act provisions.

Images of the Chance Print used for matching with the existing NAFIS Record during the Investigation.

Capacity Building (Training)

- Nine courses encompassing wide ambit of topics like Cyber Crime & Digital Forensics – Judicial Officers , CCTNS/ICJS & NCRB Apps, TOT on Prison Statistics in India, TOT on Crime in India and Accidental Deaths & Suicides in India, Enrolment User Training in NAFIS & CrPI Systems, Expert Training in NAFIS . A total of 247 trainees participated in training on these dynamic and emerging disciplines.
- The Bureau had earlier introduced module on New Criminal Laws and implementation of the same in CCTNS in all its training courses. The practice is being continued to ensure comprehensive understanding and application by law enforcement officers.

Deputy Director NCRB, Shri Prashun Gupta with the participating Officers at the Inaugural Ceremony of training program on 'CCTNS/ICJS & NCRB Apps ' Organized from 01st to 5th December 2025.

- Webinar sessions covering the topics "Criminal Procedure Identification System" "Introduction and Roadmap of CCTNS 2.0" were conducted by expert speakers . participants from various States/ UTs participated in the insightful discussions during the session.
- 10 trainee IAS Officers from LABASNAA visited in the Bureau on 29.12.2025. 07.2025. In this Visit NCRB highlighted its Ongoing projects and its significance to administrative machinery.
- Visit of 5 Interns from BPR&D (Indian institute of Public Administration) was conducted on 19.12.2025. In this Visit NCRB highlighted its operations, and on-going projects & initiatives.
